MEMORANDUM FOR: Members, Intelligence Research and Development Council

FROM: Donald C. Latham  
Chairman

SUBJECT: Memorandum of Appreciation

1. As I prepare to leave the Pentagon, I wish to thank you for the support that you have given me as Chairman of the Council. Your help has been absolutely essential in the production of the various technical assessments the Council has provided the Director and Deputy Director of Central Intelligence for consideration in the National Foreign Intelligence Program. I believe that the strength of the Council comes from your participation in its affairs, and your involvement and advice have been much valued.

2. Again, my personal thanks for your assistance in the continued operation of the Intelligence Research and Development Council.

Donald C. Latham
